Dear Former Primary Members,

Notification: Announcement of new Sonder Constitution and transition to Associate Membership

I hope this message finds you well. I am writing to inform you about recent changes to Sonder's Constitution and to Sonder's membership structure following a Special General Meeting of Primary Members which was held on Tuesday 9th July at Jarmer's Kitchen.

Following the resolution passed at this meeting I wish to inform you that your membership with Sonder has changed, and you will now be classed as an Associate Member effective from 9th July 2024.

The decision to implement these Constitutional changes was made following an extensive governance review and after careful consideration of our organisational needs and goals. The Board believed it timely to refresh our Constitution as Sonder has broadened our scope of practice to beyond the purpose of our origins as a Division of General Practice.

Sonder will continue to retain two classes of membership but has transitioned our Board of Directors to Primary Membership status to allow diverse representation integral to Sonder's service delivery profile, representing all areas of our work.

As an Associate Member, Sonder is committed to providing you with many of the benefits and privileges offered to Primary Members, including the ability to attend general meetings of Sonder, however, the voting rights at general meetings will be exclusively vested in the Board of Directors.

As opportunities arise Associate Members will be invited to participate in various committees as deemed appropriate by the Board of Directors.

Sonder also remains committed to providing our Associate Members with the necessary support and resources required to ensure a seamless transition and continued engagement within our community.

We appreciate your understanding. If you have any questions or require further information regarding your new membership status, please do not hesitate to contact Sonder CEO, Mr Sageran Naidoo or Executive Assistant, Ms Emma Rosie on 08 8209 0700.

Thank you for your continued support and dedication to our organisation. We look forward to continuing our journey together and achieving shared success.

Warm regards,

Dr Rizwan Latif
Chair, Sonder
