Sonder acknowledges Aboriginal and Torres Strait Islander peoples as the First Peoples of Australia. We pay respect to them, their cultural and spiritual heritage, and to Elders past, present, and emerging.

We acknowledge the ongoing impact of intergenerational trauma that has occurred since colonisation and commit to truth telling as we walk alongside them towards reconciliation.

Sonder welcomes people from all cultures, faiths, backgrounds, experiences, and celebrates all identities, genders, sexes, orientations and abilities. We embrace diverse voices in our decision making to ensure we deliver inclusive services.

Play Our Way

Partner with us to create greater opportunities for women and girls in sport at your club

Too many women and girls still face barriers to getting involved in physical activity – especially those from underrepresented communities.

Play Our Way is an initiative designed to break this cycle by offering sports and fitness clubs support to increase ongoing participation of women and girls.

Together, we're building more inclusive, welcoming spaces where all women and girls belong.
